

19/5/93 - 24/5/93.

POL 35/595(1)

This is Fred's writing.

EMD thinks the date is somewhere between 19/5/93 (when Fred returned from his walking holiday) and 24/5/93 (when he contacted June at 11.00 am (see "bubble 3/6/93 doc)

In fact this could actually be the contact which Fred made with June on 24/5/93.

Fred has just been brought up to speed by James and David about S.F.'s w/may offer + the cabinet meeting of 18/5/93.

Fred acknowledges the danger that the slow response from Mayhew + Major is having on the process.

* It questions British action. *

EMD reckons Mr H is Mayhew

and Mr K is Major.

(see Bubble 3/6/93 for more details)

POL 35/595(2)

" Mr. H. is aware of our offer of 10 May. We believe
Mr. H. has used this in his discussions with Mr. R.
One place proposals to you remain on the table. The lack of
a positive response is stopping forward movement. We
intend to continue our efforts towards a peaceful settlement
through ~~the~~^{Mr.} H. + Mr. R. . . . British action??
