Whereas it was ord^d at a Common Council holden the sixth of June 1599
of July 1599 as followeth: viz the Council taking into consideration that the
concerns of the Corporation formerly acted by the said was voted in the Common
Council by Charles and to prevent the many inconveniences that have
attended the often altering of the members of the Common Council It was then
ord^d that thence forth no person or persons should be added to the Common Council but
by consent of the mayor and part of the Council & if none should be excluded the
Council but on some reasonable allowance of the mayor part of the Council
And this Council taking the said further into consideration findeth that the former
ord^d is some what short and dubious as to the mayor part of the Council It was
this day ordered in Council notwithstanding the contrary of the former ord^d of Council
be confirmed and if such mayor parts of the Council shall consist of one or two only
at least either in adding or excluding any such member or members of the Council
& also if the mayor for the time being or his deputy from time to time hereafter
shall give a list of the Council to the Lord Mayor & of every common Council
hereafter shall be summoned and have seven and twenty hours notice of
time & place of the sitting or meeting of such Council and to such Common
Council men if it is resident & inhabiting in the City of London and if the former ord^d
of Council be forthwith entered by the Towns Clerks in the mayorsally books
and if the Lord Mayor at the said shall neglect his duty in not summoning every
member of the Council if he be inhabiting or shall be in the City of London at such
when they shall be ordered to summon the Council shall forfeit five pounds
for every such offence

120 To his Grace Michell Lord Primate of Armagh & Chancellor of
the humble petition of the Mayor Aldermen the Sheriff Burgesses & Common Council
of the Corporation of Galway

Humbly sheweth that your petitioners have bin often applyed unto by several
traders in this Corporation complaining that one Mathew Dwyer did exact con-
sumes of money from them pretending a patent for the same & that Dwyer being heard for
refused to prove his patent & some of your petitioners grounded thereon have caused to be
of the Dwyer's fiat (heretofore written) whereby it appears that Dwyer hath given
unto him only two pence for every beefe slaughterd & to be retained in this town
& either three pence for every Cask of Butt, to be sold by & retained in this town
& either two pence for every tun of beefe & two pence for every
of butt, to be transported out of the Port of Galway

And so it is may it please your Grace that Dwyer hath not con-
firmed his duty as in your patent but hath exacted from
Butchers & others slaughtering for transportation only 4d
for every beefe & 3d for every Cask of Butt, coming into the town
either to be transported or used in private families also and penny for
every sheep killed either for transportation or for retailing and
penny for every hog & outside is granted by his licence now, to Dwyer and by
your petitioners sett but for 18 pence & as it is now collected according to the
patent is worth more than 300 pence to all which your petitioners humbly conceive
his patent gives him not & that your petitioners your Grace Dwyer hath & confound
for his justification & to oblige your petitioners to a compliance to suggest he hath
injunction from this Hon. Court for quieting him in your possession of your
as granted unto him in his patent, though your petitioners with all humbly approach
your Court desirous to possess him of no more than your petitioners of his grant
knowing with confidence that Dwyer does offer affidavits, your petitioners have
it more convenient, to lay your true state of the matter before your Grace
and otherwise with your petitioners

The petitioners consider your petitioners humbly pray your Grace will
to order Dwyer to take no more than is mentioned in his patent & to give
reparation to your petitioners grounded as may seem equitable to your Grace
They will ever pray

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf from an old book. The paper has a slightly textured appearance with some minor discoloration and faint, irregular brown spots, characteristic of old paper. The page is framed by dark borders on the left and right sides, which appear to be the edges of the book's binding or the edges of the scanner bed. There is no text or other markings on the page.
