Miss Carmel Smith,

Dear Miss Smith,

In reply to yours of the 16th inst. requesting application form for Mulranny Hotel Training Course, I regret that interviews for this Course were held over a month ago, and trainees for 1966-67 Course have now been selected.

I am, however, sending a copy of your letter to C.E.R.T., Ltd., who select trainees for this Course. They may be able to help you.

Yours truly,

C.E.O.

I came to see W. C.  
 Smith. In the home  
 I wrote applications  
 to R. E. O. for vacancy  
 to Maryland Hotel

Training Course. Could  
 would be interested in them.

Advised Carmel if  
 she were not successful  
 to return vac. school in  
 October. Dangerous to  
 be in in Travelers Home

as there were a  
 number of her friends  
 working there for that  
 summer holidays. I  
 informed the other world.

Dear Sir,

A Woman from Dublin Called today about W. L. Smith B. O. C. She asked for <sup>Winnifred</sup> Carmel's Birth and Baptismal Certificates. I told her I forgot whether I got them or not from the Council, and I <sup>now</sup> find that I have them I thought it better to write and tell you because she said How do you know whether the child was Baptized or not, and she might Call on the Parish Priest and report you.

She also thought that Carmel's two overcoats looked small for her but I want to tell you she is small and stocky for a girl who will be fifteen in July. We would like her to attend Balla Convent School in September.

29<sup>th</sup> March '64

Dear Mrs Mc Evilly,

We are breaking up for Easter recess tomorrow so I want to find out from you if it will be alright to present the Smith Child who resides <sup>for an exam.</sup> Two of her school pals are sitting for the entrance exam early in May and I also think that Carmel who has worked with those pupils should also sit for exam. If she does do it they ~~do~~ she would be terribly disappointed.

As you know she sat for Primary last - the result of which came at end of last Sept. She passed in Irish and in the other subjects her marks were reasonably good. Personally I suggest she should go to Balla Secondary School and follow Intermediate Programme and perhaps later as you have suggested when she has a foundation - or come to the Commercial School in Kiltimagh.

Psychologically I think that Carmel would be much happier to attend Balla Convent as her two school pals have decided to go. - In any event Castlebar Vocational School is most inconvenient - a distance of eleven miles. Sorry to bother you with all this but I just wanted to let you know that I was entering Carmel for this exam. Best wishes  
Yours Sincerely

Attending above School  
is a B.C.C. named Larnel Smith.  
She is in sixth Standard and she will  
sit for Primary Cert in June, but I  
honestly think she will not pass. I  
strongly recommend that Larnel  
attend this school for the coming  
year as she would get benefit by  
secondary education.

These discussed this child and I understand the Dept are anxious to have children attend a continuation school once

May attending the age of 14 years.

Council did not make much progress in school until she reached fifth Standard and in my opinion she would not benefit by vocational or secondary teaching at the moment as she needs another year in Brockton National School.

She is an extremely nice child and a regular attendee and credit for very well by her foster parents. I have a keen interest in her and because of this I recommend another year in the National School.

Dear Sir

I have a B.O.C. called  
Garnet Smith she will soon be  
fourteen years of age. I am anxious  
that she would be left for another  
year in Knocksapon National School  
she needs more practice in the sixth  
and seventh class programme,  
before she would be able to follow the  
work in a secondary school.

Please let me know I keep her at  
school every day and she is a very  
obedient child.
