

1st Dec. 1958.

Dear Mr. & Mrs. O'Sullivan,

At last I have some news for you. We now have a little girl aged one year and nine months, and I am sure that you would be very pleased with her.

Our only difficulty is that we are "pushed" for places in the Nursery, and we could not hold her for more than a few days. I would be very grateful, therefore, if you could phone me to-day between one o'clock and two, or between seven and eight. On the phone, there is no need for the operator to know what is going on - all we need do is to see what arrangements you would like to make.

With all good wishes,

Very sincerely yours,

CLARA THEÓIR.

P.S. The 'O'Sullivans' are - I think for the  
have been living in Bandon.
