Occupants - Foster Parents, Mrs Hayes' Mother
o 2 children

Apparments - 5 - all well kept.

Clothes o bed accommodation good. Advised
F. Mother to use Second Shul on bed.
Seems a good home o family attached
to the child - At the moment he is
attending Woodford Boys N.S. - his progress
seems to be ok & stands still o child is
getting rather restless at School - There is
an opening for an attendant at the local
Garage, the boy is most anxious to take up
the post.

Mrs. Lena Hayes,
Woodford,
Co. Galway.

A Chara,

I have been informed by the Public Health Nurse who has visited your home recently regarding the foster child Thomas Warde that you intended allowing him to become apprenticed at a local garage. Would you please let me know if, in fact, you have allowed the boy to take up this work. I wish to state that the allowances will be continued to be paid to you until the boy reaches the age of 16 years.

I would be delighted,
if ye got ^{Sam} Thomas into the
garage. He would have a
trade. and be near home.

I am satisfied to keep him
he is too young to go far
away.

Yours Truly,

Lena Hayes
