That you sought agreement on a

points (following the

CALL at 3.55

The gov. deeply regrets the
tragic loss of life brought about
by the desertion of some
prisoners to embark upon a Hunger
Strike. In the conviction that
the prisoners themselves will
see no further point in their
Action the gov. reiterates
its firm intention to continue
to improve the regime. THE
Details of its intentions are
set out below.

When the Hunger strike in
support of the prison protest
is brought to an end the
gov. will,

extend to all male Prisoners

at present available to
Female Prisoners in Anaght

that the Prisoners and the
Prison Authorities

know pricing & How the
Regime will be applied
in the different circumstances
of Male Prisons. It
will take time to formulate
New Prison Rules to cover
for example the following
points

- (1) The need for clothes not
to resemble that of
Prison officers
- (2) The need to prevent Prison
adopting a form of Uniform
clothing
the excluding of form of
clothing which are often
and unsuitable
The scale of clothing
including underwear

Laundry arrangements

mean while any Prison

the kind presently issued

will be allowed to wear
it. Prison who choose
to go on wearing Prison

may do so immediately

Humphrey ATKINS expects a lot
of question inside and out

it is the prison authorities and
not the prisoners who run the

that prison regulation must
be kept. That the Gov. would

11/11/69

giving the ending of the Prison Protest
and the implementing of the measures
outlined in the Socialist gov. statement
of July 20th. It is clearly understood
that prisoners coming off protest ~~would~~
will ~~avail~~ on be expected to ~~avail~~ of
Prison work which has been defined as
Maintenance, ~~Offensive~~ and Educational
CULTURAL

Ass is defined as freedom of movement
within the wings. It is unrealistic
to expect that prisoners can be integrated
in the prevailing circumstances.
