~~Reasonable demands - proof of
sincerity -~~

~~And so will not be allow
sight attempt to use as bait.~~

2° Have referred to absence of progress
Meaningful signs to us are the
following: The ~~unmet~~ ^(damnable) in place
of these demands during ^{next 2/3 weeks} ~~July~~ would
be ^{viewed} ~~seen~~ by us R.M. as proof of

Instr. 4/8/75 (4)
por 35/93(4)

H M Govt sincerity. It would also be
~~the~~ progress towards a public
declaration by you of withdrawal
from Ireland. We repeat once
more that until that declaration
is forthcoming coupled with
self-determination for the Irish
people + a general amnesty for
all Irish prisoners, there is no
prospect of permanent peace.
We utterly reject any attempts
to use ~~our~~ prisoners as Irish
hostage + deplore the kind
behind such moves.

~~In fact~~ Public pressure is mounting for the
Br. to declare long-term intentions
towards Ireland.
