Dear Michael Parlov,

I am researching a programme idea for Channel Four's *SECRET HISTORY*, on the Provisional IRA's ceasefires of 1974/5. The Commissioning Editor for *SECRET HISTORY* is Alan Hayling.

As you attended several rounds of talks with Provisional Sinn Fein during this period, I would very much like to meet you to discuss some of the issues.

I am aware that some time has past since your involvement, but as your role was crucial, I feel that your recollections are vital to a fuller understanding of the period.

Thank you for considering this.

Yours sincerely,

*Cahal McLaughlin*
