of Shankhill bomber Thomas
Begley

Tues 26/10/93.

June travelled + met Fred at the usual place.

Fred said that the inner board (Mike Samuels) met on 15, 16, 17 + 18 (of Oct?) and agreed on Para 4 of the Businessman's draft, NOT Mc Cann's. This was accepted on 18th.

On evening of 18th the National Chairman + the Squire had reversed the position even though they were part of the acceptance group.

What's new is that the Businessman had agreed to give this to M and M. not June to Tax.

Littlejohn recognised the danger in this + informed Fred that the usual system would also be used.
